## NOTE FROM THE JURY

Did the original estimate of a 3 week trial include an estimate for deliberations? Are we still on track?

I have business travel scheduled for  
May 14th.

~~Does~~ does "on or about 2010"  
include ~~dates~~ events 2007/2008?  
Does it encompass  
How specific should a  
date be?: i.e. does "on or  
about 2010" encompass events  
in 2007-08?
